11

Workshops Delivered

68

Participants Engaged

328

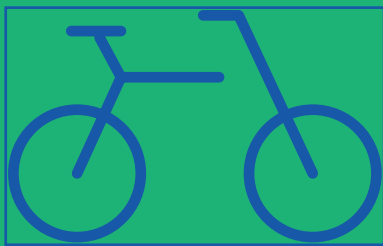

Bikes Collected

161

Childrens bikes refurbished and given away at Christmas

32

Childrens bikes refurbished and given to Primary Schools

Quote from MPT Mentor

"We wanted to do something that would not only teach people a new skill, but help residents save money and keep fit. Today's event has been a great success and it's also good for the environment too – we're already planning the next workshop!" - Elaine, Onward Housing

Quote from Participant

"The best workshop I have ever been on. I totally enjoyed the two days and making new friends. I have already been out on a couple of short trips on my bike over the weekend." John - Now volunteers at the workshops in the East Lancashire area
